Getting Started

Step-by-step instructions show you how simple it is to operate your new computer. Cat B-7206

\$12.50

VZ 200 Introduction to computing

Lost when it comes to computing? Try this one: it will have you programming your VZ 200 in no time. Cat B-7200

\$12.95

First Book of Programs

Tried and trusted programs for the VZ 200. All written in easy-to-understand BASIC language. Cat B-7202

\$9.95

Further Programming

More advanced programs for when you've mastered the basics of BASIC. Also includes 15 games to play. Cat B-7208

\$12.50

VZ 200 Technical Manual

Your favourite computer games written especially to run on the VZ 200. Hours of fun - and educational too. Cat B-7204

\$11.95

The Giant Book of Games

An exciting collection of some favourite computer games, guaranteed to provide you with hours of fun. Cat B-7210

\$12.50

DATA CASSETTE

Get the most from your VZ 200. Store your programs on this deluxe recorder. Made just for the VZ 200, so it's better than any other cassette unit. Cat X-7207

VALUE AT **\$129**

Printer Interface

Lets your VZ 200 talk to almost any Centronics-type printer. Just plug it in! Cat X-7210

PRINTER/PLOTTER

Don't buy just a printer - here's a fantastic NEW four colour printer that's an X-Y plotter as well. Produce graphs, pie charts, printing in many different sizes and colours. It's all so easy to do, using simple commands in your BASIC programs. Cat X-7208

NOW ONLY **\$69**
WAS \$99

JOYSTICK CONTROLLERS

Plus computer interface

Games take on a whole new dimension with these action joysticks. Two controllers plus plug-in computer interface. Cat X-7212

\$59.95

16K RAM EXPANSION

Want more memory? Just plug this in and you've got it. It couldn't be simpler. Add this module, and expand the VZ-200's RAM memory to a generous 24K. Cat X-7205.
